

DECLARATION OF PERFORMANCE

NO 1379

24

Product type unique identifier: PA33CL80P

Application: Sandwich panels with mineral wool core and sheet metal surface;
exterior walls, partitions, suspended ceilings

Manufacturer name: Isolamin Sweden AB, Industrivägen 5, SE-95632 Överkalix

System: 3

Harmonized standard: -

SP Swedish Testing and Research Institute No. 1002 report 0402-CPD-P605003B

SP Swedish Testing and Research Institute report no. 99R13227B

SP Swedish Testing and Research Institute report no. P605204

Akoustic group Luleå Technical University rapport nr 960613-1

| Panel | 33CL80P |
|-----------------|-------------------------|
| Thickness | 80 mm |
| Weight | 24,2 kg/m ² |
| Standard widths | 565, 1180 mm |
| U-value | 0,58 W/m ² K |

| Essential characteristics | Prestanda | Harmonized technical specification |
|----------------------------|-------------------------|------------------------------------|
| Tensile strength | NPD | EN 14509:2013 |
| Shear strength | NPD | EN 14509:2013 |
| Sliding Module | NPD | EN 14509:2013 |
| Compressive | NPD | EN 14509:2013 |
| Bending resistance | NPD | EN 14509:2013 |
| Reaction to fire | A2-s1-d0 | EN 13501-1:2007 |
| Fire resistance | EI60 | EN 13501-2:2007 |
| Fire protection capability | NPD | EN 14509:2013 |
| Thermal resistance | 1,56 m ² K/W | EN 14509:2013 |
| Permeability of water | NPD | EN 12865 |
| Air permeability | NPD | EN 11214 |
| Vapor permeability | NPD | EN 14509:2013 |
| Airborne sound insulation | 38 Rw | ISO 140-3:95 |
| Sound absorption | Klass A | EN ISO 11654 |
| Dimensional stability | PASS | EN 14509:2013 |

| Tolerans | Core material | Surface material |
|--|---|--|
| Length: ± 5 mm Width: ± 1 mm Thickness: +0/-1 mm Perpendicularity: 1 mm/m Surface roughness: +0/-0.35 mm | Material: Mineral wool Density: 180 kg/m ³ ±10% | Material: Hot dip galvanized steel sheet Thickness: 0.7/0.7mm Perforering: 23% |

Signed on behalf of the manufacturer:
